

January 2009

Due to a technical issue, this month's newsletter will not be the norm. Please bear with us as we work out the kinks and will come back next month with the full version!

Announcements!

Pikes Peak SHARE wishes to thank **Panera Bread** for their very generous food donation for our Service of Remembrance, **Hobby Lobby** for their very generous discount for supplies and to **Jeanette Carter** for her donation to SHARE. Without their generosity our Service of Remembrance would not have been so wonderful!

Pikes Peak SHARE is run by families who have been helped by SHARE throughout the years. Due to many circumstances, we are short on active Board members. ***Please think and pray about this - if you are in a place in your journey that you feel able to give back to SHARE*** - contact Kerry Mand at 597-7894 or mikerry@gmail.com. There are several openings on the board and the time commitment is very minimal. The reward though, that's the true blessing.

It's that time of year, the time of year we decide how we will support many non profit groups. **Pikes Peak SHARE is supported by your donations**—including United Way. If your company matches your donation, SHARE benefits! If you need our address or other information, please contact someone on the board. We are a 501c3 non profit corporation.

The board of Pikes Peak SHARE are currently working on a **summer picnic fund raiser for SHARE.**

More details will come via the meetings and newsletter.

If you are interested in helping in any way, please contact Kate Herdejorgen via email (kate@herdejorgen.com) or Kerry Mand via email (mikerry@gmail.com). Thank you!
